DONATIONS FOR THE WEEK

Thank you!

June 20 & 21: \$2,080.00
June 20 & 21, Electronic: \$384.00

We are truly grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **26** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

Some random thoughts

When we operate from our small selves, we feel that there isn't enough for everyone. We think that for us to succeed that someone else must fail. This sense of scarcity is expressed in our making comparisons, being in competition, judging worthiness, protecting what we think belongs to us (primarily with violence), fear and anxiety. Our first reading from 2nd Kings and our Gospel reading from Matthew both offer us an alternative way of living. They highlight the human fear (that there isn't enough for everyone) and then they show us that God provides extravagantly. Elisha the prophet declares that the woman who lives in Shunem and is childless, will conceive a child. Jesus the Christ announces that when we limit ourselves (to family and small groups), we can't receive the abundance that God desires to give to us. Any limitations are forms of resistance to our receiving. God, Jesus declares with his words and by the life that he lives, always offers us more than we are willing to accept. When we unexpectedly do accept, however, we receive an abundance that is beyond our imagination. The final example that Jesus offers us is his death. There is no logical reason not to think that death is the end. There is no more. But for God there is more, and shares this more with us. We call it resurrection. God is good.

Parish Updates: We had to do some minor work in the school building. The fire inspector uncovered a few items that needed to be addressed. Parish Office hours will change slightly. Monday, Tuesday, Wednesday, the hours will be 8:00 am – 1:00 pm. Friday the hours will be 8:00 am – 12:00 pm. This change will take place the week of June 29, 2020.
