Building Maintenance Fund

**We are truly grateful to our parish community for all
your support and prayers during this unprecedented
time.** When we are unable to gather to worship
together, electronic giving helps stabilize our parish
finances.

We currently have **26** families enrolled in the **Bill Pay
Program** through their financial institutions. If you are
already enrolled in the Bill Pay Program at your financial
institution, the set up is a few quick steps! You select
the frequency and dollar amount of the payment
(donation). The bank will generate a check and mail it
to us as instructed. It's that simple ... you no longer
have to worry about having the right change or writing a
check each week. We have a box on our budget
envelopes marked "I Gave Electronically", check the box
and place it into the collection basket. Your consistent
support is very much appreciated.

Many have responded to the CCA mailing from Bishop Tobin. On behalf of those served by the ministries and services funded by the CCA, we thank you.

If you received a mailing from the Office of Stewardship and Development, you may either mail the special pledge card in the response envelope provided to make your gift or place the envelope in the collection basket at the church entrance/exits. By using this option, the parish will automatically receive credit for your gift. All gifts, regardless of size, help to make a difference in the lives of so many.

Some random thoughts

We are influenced by the culture in which we live and our language is limited. This comes into play when we read the letters of Saint Paul. One word that he uses, that unfortunately has had a detrimental effect, is the word, **flesh**. The word – through the years – has been highlight to mean sexual actions and impurity. This however, is not Paul's intent when he uses this word. Rather, he is speaking about the person that we create. The science of psychology uses the word, ego. Ego is the person that we create. Ego forms naturally as we begin to learn. Initially, a newborn cannot/does not have the capacity to see and understand her/his self as separate from anything. The process of learning requires us to differentiate and divide. We break everything down so that we can recognize differences. This process brings us into an either/or, all or nothing world view. This world perspective needs competition, comparison, success, rigidity, in-groups and out-groups, directives/laws, purity codes, all of which are external, to survive. Our egos do not relate with others, they use, control, and manipulate others. The goal is self-sufficiency. Paul's use of the word sarx/flesh therefore has nothing to do with sex or impurity. Rather, he intuitively that our egos/flesh are too small and limiting, and non-relational. Ego prevents/resists our ability to relate with God as God relates with us. Paul teaches us that we need to find ways for our egos to be quieted. A key ingredient in this process is community/relating with peers/equals. Our egos are not relational, so our egos can't comprehend community, can't relate with peers/equals. Our egos always need a hierarchy. Community opens us to combine and unite, the direct opposite of what ego does. Paul calls this combining and uniting, spirit/Spirit. God is good.

Parish Updates: We received a check from the Diocese on April 27th in the amount of \$11,000. This is CTK's share of the monies raised for the Diocesan capital campaign. We have allocated this money to offset the cost of new lighting in the church proper and several other improvements in the church. Also, we normally move the monies raised at our Parish Bazaar into CTK's Maintenance account at the end of the fiscal year. We won't be able to make this transfer this year. We are most grateful that the weekend collection income, due to your generosity, is off only about \$20,000, and the monies raised at the Bazaar can offset this deficit. We are blessed.
