*A convenient, consistent way to help our church grow*

**We are truly grateful to our parish community for all your support and prayers during this unprecedented time.** When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **26** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

**Parish Goal: \$32,000.00**  
**Total Pledged & One Time Gifts**  
**Received to Date: \$15,520.00**

Many have responded to the CCA mailing from Bishop Tobin. On behalf of those served by the ministries and services funded by the CCA, we thank you.

**If you received a mailing from the Office of Stewardship and Development**, you may either mail the special pledge card in the response envelope provided to make your gift or place the envelope in the collection basket at the church entrance/exits. By using this option, the parish will automatically receive credit for your gift. All gifts, regardless of size, help to make a difference in the lives of so many.

### Some random thoughts ....

I went through a period of time in which I read as many lives of the saints that I could find. The hagiographies presented the saints in an accepted style. The emphasis was on disciplining our minds and bodies to achieve perfection. This fit with my understanding. As a child and into my teens and twenties, I had a very strict moral perspective. Most times I operated from an either/or perspective. Judgment and condemnation was never far away, and I was not immune to judging and condemning myself. Life was all or nothing. Today's Gospel reading from Matthew was interpreted in a way that allowed me to fit it into my perspective. I would bypass, *'allow the weeds and wheat to grow together, and don't attempt to uproot the weeds lest the wheat be also uprooted'* and hear only, *'the weeds will be judged, condemned, and burned come harvest time.'* Then, life happened, and my well-developed pursuit of perfection through discipline and purity codes, fell apart. I began to see and experience that my faults and failings never went away no matter how much I applied myself. I could no longer find excuses for times that I acted like an ass. While this was happening, my Dad died. I had, as an adult, learned to love my Dad, but as a child, I was mostly afraid of him. That contradiction (that my Dad was both frightening and loveable) was captured in a dream that I had shortly before he died. War and conflict were happening in the dream until I saw my Dad and he said, 'All is well.' The war and conflict ceased. The next time I read today's Gospel I was able to see and accept that the wheat and the weeds can coexist and thrive together. It isn't an *either/or* situation, or *all or nothing*. It isn't about moral perfection or perfection of any kind. Life is about our experiencing that we are loved. Then our sin and failings become doorways to compassion and openness. Only when we experience love can we know that we are wounded, and then become a source of healing. God is good.

**Parish Updates:** We might have to get creative in order for us to have a Parish Bazaar this year. The restrictions imposed upon us by the Corona Virus almost eliminate any large gatherings. We are open to suggestions as to how we could have a bazaar in person or virtually.
