## Pawtuxet Valley Food Cupboard

Food Items and especially Red Pasta Sauce and Paper Products are needed. Donation bins are located at the church exits.

We currently have **26** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated!

## Some random thoughts by the pastor....

I lived a rather sheltered childhood. As was true in many families during that time period, families had secrets about which no one spoke; had a pattern of life that went unquestioned; and shared a cultural and religious perspective that was defended vigorously. By the 3<sup>rd</sup> grade I was in the parish school, confessing my sins once a week (sometimes less during the summer months), learning the doctrines and laws of the church, and going to Mass. Family life was equally structured and deviations were not readily welcomed. I was happy with the structure. Life had an orderliness to it. Each day had a specific meal which only changed on very special occasions. Eventually all this structure stopped working for me. I felt confined and was driven to try new things. It was both scary and exhilarating! This essentially is what happens in our Gospel story from Luke. The younger son 'burns' all his bridges as he is driven to try new things. The father figure understands and continues to love his son. That never changes. That can't change. When the new lifestyle also stops working for the younger son, it leaves him bereft, broken, wounded, and surprisingly open to be embraced by his father. God is good.

**Parish Updates:** Some changes around CTK: new doors have been installed in the former school building; landscaping will soon begin/has begun on the area between the parking lot and the playground; vinyl siding has been/will soon be installed on the front of the rectory and the garage.

The Parish Advisors will meet on Tuesday, September 17<sup>th</sup>, in the lower level of the Parish Center, at 6:30 pm. If you would like to participate feel free to notify me.

Bible Study, which is open to everyone, will start on Monday, September 30<sup>th</sup>, in the lower level of the Parish Center, at 7:00 pm. The group will be finishing an overview of the New Testament and beginning to study the Book of Revelation. Feel free to participate.

Our Parish Bazaar will take place on the weekend of November 23-24. All are well to participate. We are looking for some donations of scratch tickets for the Lottery Tree, pastry for the Pastry Table, and any jewelry that you no longer wear. We use the monies that we receive from the Bazaar to maintain and improve Parish buildings and grounds.

Grandma's Attic is a great ministry! The store makes available clothing and some household items that have been gently used. The store opened in June of 2009 and has been serving the needs of people in the area (and beyond) for 10 years. GA began keeping a record of the number of people served in December, 2011 (a year and a half after it opened). Since that time 25,248 (as of August 13, 2019) have been served. If you are interested in participating in this great ministry feel free to let me know.
