Some random thoughts by the pastor....

We sometimes get caught up in what is least important and – as a result – miss what is most important. We see an example of this happening in today's Gospel story from Luke. Nine out of the ten that were healed were so caught up in the healing that they were prevented from experiencing transformation. Only one experiences a love that transforms him. Healing is wonderful. Success is wonderful. Health is wonderful. So many things are wonderful. Only experiencing love transforms us. God is good.

Parish Updates: Our annual financial report will be later than normal. We had the inserts for the Diocesan capital campaign and now we have inserts for CTK's Bazaar. You can expect to see the report the first part of December. We will have some idea how much CTK will receive from the campaign in the next couple of months. Then we will begin plans for the refreshing the church proper (e.g. refinishing the benches, etc.).
