Electronic Giving

Electronic Giving—A convenient, consistent way to help stabilize our finances. We have 32 families enrolled in the Bill Pay Program through their financial institutions. If you are already enrolled in the **Bill Pay Program** at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to be concerned about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your support is appreciated.

Some random thoughts

Joy and sorrow – in the spiritual world – do not cancel each other out. They co-exist. The Gospel writer, Matthew, points to this reality in today's gospel story. The birth of Jesus brings BOTH joy and sorrow. Natural occurrences in their search for God -embodied lead the Magi. Fear misleads Herod to search for a potential rival who might be a threat to his position. The spiritual world opens us to new possibilities ... that can feel unnatural to us. When we are willing to struggle with seeing in a new (and sometimes uncomfortable) way, epiphany (God revealed) can happen. God is good.

Parish Updates:

Five years ago, we began a new journey in which we started exploring the possibility of joining with another local parish. This process continues. Fr. Victor Silva and I met on December 15th to create a schedule. We will be 'switching' parishes, in the near future, to celebrate weekend Masses. We hope that this will give you an opportunity to become more familiar with Fr. Victor.

Just like you, your parish has bills to pay and ministries to support, rain or shine. When it snows on weekends, it greatly impacts our budget. Thank you for making up missed Sunday contributions to you parish when the winter weather keeps you home!
