Christmas Is would like to thank the Parishioners of Christ the King for their overwhelming generosity

during this very difficult year. Because of your support **Christmas Is** was able to alleviate some of the hardship so many of our neighbors are experiencing. This is the 42nd year that **Christmas Is** has been able to assist so many needy families.

Project Hand Up / Be the Change

is in need of non-perishable food items, paper products, and toiletries. Donation bins are located at the church exits.

Electronic Giving

A convenient, consistent way to help our church grow

We are grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **27** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

Some random thoughts

We have various examples of people 'glowing or beaming'. A person who receives praise from someone who they respect (such as a parent or teacher); or a woman who feels life within her; or a man who sees his child for the first time; offer an opportunity for us to glow or beam. Most often, until someone mentions the light emanating from us, we are not aware that it is happening. (This is different from when we blush from embarrassment.) The Incarnation (the birth of Jesus who is also the Christ) is likened to this experience. Ironically, none of the religious leaders nor political leaders see the light. Apparently, their power and prestige consume them and prevent them from seeing it. It is (in the Gospels of Luke and Matthew) outcasts (shepherds) and heathens (magi) who are open to something new. Whenever religion stagnates, we lose sight of the glow that emanates from God. God is Good.

Parish Updates: We have turned the calendar page and have entered a new calendar year. It is a custom (in some cultures) that a blessing be sought on this day. We, in seeking a blessing, are reminded of the many blessings (seen and unseen) that we have received. A religious practice that can help remind us is to ask the magi (legend calls them: Caspar, Melchior, and Baltassar) to journey with us as we walk through the days of this year. I am grateful for the cards and best wishes that I received.
