*A convenient, consistent way to help our church grow*

**We are grateful to our parish community for all your support and prayers during this unprecedented time.** When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **27** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

### A message from the Office of Life and Family of the Diocese of Providence

Are you or someone you know a victim of verbal, psychological or physical abuse? Most suffer in silence and are threatened, fearful and embarrassed to reach out for help. Married people may feel confused about how the church might respond due to their marital vows. The Office of Life and Family wants to raise awareness and provide support, information, and resources for those struggling from abuse. Maybe you just want to talk? Please call 401.421.7833 ext. 218 or ext 217.

### Some random thoughts ....

There are several movements happening during the life of Jesus. Some are familiar to us (though we might not think of them as movements). The Pharisees, the Sadducees, the Herodians, and the Essenes are four such movements. Each have their own unique qualities and characteristics. It is widely accepted that Jesus (like John the Baptist) is part of the Essene movement. As a follower of this movement, Jesus becomes a disciple of the Baptist. As a disciple, Jesus accepts the baptism offered by John. The Gospels indicate that Jesus' surrendering to the baptism offered by John makes him vulnerable to an experience of the divine that leads him beyond the movement of the Essenes. He 'moves' in an entirely new direction. It is however, his surrendering to the movement of the Essenes, that makes him available to the divine; and the act of surrendering that makes him pliable to the Spirit directing him in ways that he did not expect. The Spirit continually pushes us. Resistance is our human response, as is evidenced in the temptations that Jesus painfully encounters. John the Baptist also demonstrates resistance when he questions Jesus who is freely sharing equality. We don't know if John ever finds a way through his hierarchical mentality to experience equality. We continue to struggle with the message that Jesus proclaims that God relates with us (and all of creation) as equals. Equality is the only way we can share love. God is Good.

**Parish Updates:** We continue in the 'hold' position awaiting permission to 'takeoff'. Grandma's Attic continues closed. We need to wait until the health of people greatly improves. CTK has been coordinating with **Be the Change** (a local organization) to make available food items. Your generosity is always heartwarming. We have no extensive projects pending.
