Alleluia Alleluia

We are grateful to our musicians and cantors for their hard work and dedication, especially during Holy Week. Music, as servant of Liturgy, provides us with an atmosphere that helps us to worship and enter into the events that have the power to transform our lives today, as when they first happened. Also, thank you to our entire parish family for their participation and continued support, especially during this past year.

The sanctuary lamp is available for memorializing your loved ones in prayer. Call the office to reserve your week.

*Many thanks and prayers for those who memorialized/honored loved ones by this year's **Easter Flower** donations. A list of those remembered has been posted at the church entrances/exits.*

We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace.
~ Pope Francis

Electronic Giving

A convenient, consistent way to help our church grow

We are grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **28** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

2020 Statements of annual giving for tax reporting purposes are available by calling the church office at 821.9228 or email request to ckwwri@cox.net

Some random thoughts

Theologically there are two understandings of the resurrection. The east develops the oldest theology. The theology of the west develops later. Western culture, moving toward intellectualism (clarity and understanding) and individualism (personal salvation) influences this later theology. So western theology depicts Jesus as uniquely rising from the tomb BY HIMSELF. Jesus conquers death alone. Eastern theology continues to connect with mystery (that which is foggy and dark) and community (collective salvation). So eastern theology depicts Jesus rising not uniquely but with an INFINITE MULTITUDE with him. All of creation – including humans – moves beyond death – not only Jesus – because God's love is indiscriminate and inclusive of all of creation. God is good.

Parish Updates: Blessed Easter! We are seeing improvements. Last year, we had no liturgical celebration of Holy Week or Easter. That we are free to celebrate communally this year is reason for us to be grateful.

Church of Christ the King

Parish Goal: \$30,400.00

Many have responded to the CCA mailing from Bishop Tobin. On behalf of those served by the ministries and services funded by the CCA, we thank you for your gifts.

If you received a mailing from the Office of Stewardship and Development, you may mail the special pledge card in the response envelope provided to make your gift or you may place that envelope in the collection basket at mass. We will have additional pledge envelopes available near the collection basket in the church. All gifts, regardless of size, help to make a difference in the lives of so many.

For your Safety and the Safety of **All** a face covering needs to be worn upon entering the church and at all times during the Mass.
