Electronic Giving

A convenient, consistent way to help our church grow

We are grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **28** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

Some random thoughts

Jesus, in today's Gospel story from Luke, tells the disciples that they are witnesses. What, however, have they witnessed? I have served – at various times – on trial juries. One thing that I noticed was that the various witnesses experienced and interpreted what they experienced, differently. What we remember is not always completely reliable. I use the example of family members gathering and relating stories about gatherings that have passed, and few details agree. (This leads me sometimes to wonder if we are remembering the same events!) We each experience in a different way. Our witness, then, will also be different based on our experience. God, however, is not concerned about the details. What concerns God is that we experience the indiscriminate love that pours through us. St. Teresa of Avila experienced God's love using images. Her counterpart, St. John of the Cross, found images to be distractions. He experienced God's love flowing through him when all images faded into nothingness. (John admonished Teresa, at one point, to take down all of the images that she had hanging on the walls of her room. She briefly did, and then rehung them.) Our witness, then, is not about details. (We each experience details differently.) It is about the love that we experience, and that flows through us. God is good.

Parish Updates: Six young people are preparing to receive Communion for the first time. We will celebrate First Communion at the 10:00 Mass on Sunday, May 2nd. Unfortunately, we will forego the May Breakfast once again this year.
