*A convenient, consistent way to help our church grow*

We are grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **30** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

## Some random thoughts ....

We emphasize details. Our practice is not bad. It does, however, limit and divide. A major detail that divides people is language. It is this detail that our first reading (from The Acts of the Apostles), addresses. Everyone understands the proclamation of the Good News. This stands in complete contrast to the story that we find in Genesis in which division happens when everyone stops understanding the language of the other. Details quickly reassert themselves, however, and divisions continue to exist today. Every so often, however, the details fade and our shared oneness is experienced. The Good News captures our attention and the Spirit of God makes our hearts burn. God is good.

**Parish Updates:** The Finance Committee met (on Zoom) May 19<sup>th</sup> to review the projected budget for the fiscal year 21-22. The shift coordinators for Grandma's Attic will meet on June 1<sup>st</sup> to discuss the direction of the store. The CDC has issued new guidelines regarding the wearing of facemasks indicating that a **fully vaccinated person** no longer is required to wear a facemask in public. There are exceptions to this guideline (airplanes & trains, for example), and individual establishments can continue to require the wearing of facemasks. In light of this guideline, **beginning next weekend**, those participating in Mass can choose to wear a mask or not wear a mask.
