A convenient, consistent way to help our church grow

When we are unable to gather to worship together, electronic giving helps stabilize our parish finances. We currently have **30** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

Some random thoughts

'At its best, human love and friendship are an extension of the divine love and friendship that exist at the heart of the Trinity. It is an overflowing fullness of love and blessing.' We do not often refer to the Trinity as friendship. Possibly one reason for our view of the Trinity as something other than friendship is because of the influence of our society, culture and religion who tend to emphasize business (tit for tat) relationships in which buying and selling are paramount. When we are lucky enough to have a friend with whom we can share everything, we experience a mutuality that is all encompassing and inclusive of others. Friendship generates life. Business relationships diminishes everything to scarcity. Accumulation and hoarding, greed and violence follow. It is the divine friendship of the Trinity that gives all of creation life ... including us. God is good.

Parish Updates: The shift coordinators for Grandma's Attic will meet on June 1st to discuss the direction of the store. It is wonderful to see faces that I have not seen in a year or so! Maybe my hearing aids are working better but I seem to be able to hear the congregation singing. That is a real treat!

The CDC has issued new guidelines regarding the wearing of facemasks indicating that a **fully vaccinated person** no longer is required to wear a facemask in public. There are exceptions to this guideline (airplanes & trains, for example), and individual establishments can continue to require the wearing of facemasks. In light of this guideline, **this weekend**, those participating in Mass can choose to wear a mask or not wear a mask.
