The CDC has issued new guidelines regarding the wearing of facemasks indicating that a **fully vaccinated person** no longer is required to wear a facemask in public. There are exceptions to this guideline (airplanes & trains, for example), and individual establishments can continue to require the wearing of facemasks. In light of this guideline, those participating in Mass can choose to wear a mask or not wear a mask.

Electronic Giving—A convenient, consistent way to help stabilize our finances.

We currently have 30 families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

Some random thoughts

The words and actions of Jesus – as recorded in the Gospels – do not include adoration or reverencing. Jesus speaks words and demonstrates action. 'This is my body ... my blood. Take and eat/drink.' Jesus knows the human tendency to use adoration and reverencing to create space and separation. A primary reason the prophets in the Hebrew Scriptures resist royalty is because of this human tendency. Love requires equality. Love can exist in no other environment or atmosphere. God is love, the Letters of John continually repeat. When we succumb to an environment and atmosphere of space and separation, we compare and compete. Our world shrinks and the fear of scarcity drives prejudice and hate. People and creation become objects for our pleasure and use. Living in the atmosphere and environment of love, we relate as equals and with mutuality. Respect is not relegated to a sign or an action (e.g. bowing or kneeling). Respect is received and offered ... lived. God is good.

Parish Updates: The shift coordinators for Grandma's Attic met on June 1st to discuss the direction of the store. It is wonderful to see faces that I have not seen in a year or so! Maybe my hearing aids are working better but I seem to be able to hear the congregation singing. That is a real treat!
