Second Collection, June 12: Catholic Communications

**Electronic Giving—A convenient, consistent way to help stabilize our finances.** We have 33 families enrolled in the Bill Pay Program through their financial institutions. If you are already enrolled in the **Bill Pay Program** at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of your donation. The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to be concerned about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket.

If parishioners of Christ the King attend Mass at St. Anthony Church, you may place your Christ the King budget envelope into their collection basket, it will be returned to Ctk. Likewise, if you are a parishioner of St. Anthony and you attend Christ the King, feel free to put your budget envelope in our collection basket, it will be returned to St. Anthony's!

### Catholic School Tuition Financial Assistance

Once again, Church of Christ the King will make available financial aid for families supporting their children in Catholic School Education. Active parishioners may call or email (ctkwwri@cox.net) the office to request an application. Once the Parish has received the necessary information from the Diocese (based on FACTs) an appointment will be made with Fr. Tim (appointments will be set up in early June). We ask that those applying for tuition assistance meet the following criteria:

- Participate in the faith and sacramental life of the Parish including the celebration of the mass;
- Demonstrate need by use of the Diocesan Financial Aid Application process (FACTs);

## Some random thoughts ...

Up until the 4<sup>th</sup> Century, Christian theologians view God primarily from a relationship perspective. One image that they use is dancing. I honestly do not dance well. I do know – theoretically – that when people dance well, the couple dancing relate bodily with each other. Couples who dance very well no longer require one person to lead and the other to follow. An energy between them allows each person to know and anticipate movement together. God, the theologians say, is like people who know each other intimately, dancing. Trinity, they propose, is a way of relating that includes intimate experience and knowledge in a relationship that is inclusive of everyone, and invites all to join the dance. God is good.

## Parish Updates:
