Some random thoughts

We are always evolving. This is the way of God. This is the way that God creates us; this is the way that God makes the universe. We, however, do not always accept this way. The examples that Jesus uses in today's Gospel from Mark are very different from the approach used in our everyday lives. He says that growth happens; evolution happens. We don't know how it happens, but it does. When we evolve, compatibility can be a problem. We no longer relate in the way we did in the past. Our lifestyle, the way that we view the world and a host of things change. This can be frightening and it can open our eyes to see the beauty in places and people that until now we overlooked or could not see. God is good.

Parish Updates:

The meeting of the 'shift coordinators' of Grandma's Attic decided – after listening to a presentation on safety measures - to reopen the store one day a week. Mindful that Joyful Noise (the daycare center that leases three classrooms in the former school building) operates Monday through Friday, the coordinators chose to open on Saturdays. The opening date and the hours are: July 10th, 9:00 am to 1:00 pm. Yay!

The first drawing of the 25 Week Club will happen on July 5th. If you have not received 25 Week Club tickets, they are available at the Parish Office (401.821.9228). Thank you for supporting this helpful Parish fundraiser.
