*A convenient, consistent way to help our church grow*

**We are truly grateful to our parish community for all your support and prayers during this unprecedented time.** When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have **26** families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

**Parish Goal: \$32,000.00**  
**Total Pledged & One Time Gifts Received to Date: \$15,520.00**

Many have responded to the CCA mailing from Bishop Tobin. On behalf of those served by the ministries and services funded by the CCA, we thank you.

**If you received a mailing from the Office of Stewardship and Development**, you may either mail the special pledge card in the response envelope provided to make your gift or place the envelope in the collection basket at the church entrance/exits. By using this option, the parish will automatically receive credit for your gift. All gifts, regardless of size, help to make a difference in the lives of so many.

### Some random thoughts ....

As a student, each subject and each semester was new and – I felt – unrelated to any other subject or semester. (This was felt most, for example, when we switch from Algebra to Geometry. My mind understood Algebra, it was lost in Geometry!) Seen as individual subjects, the question would repeatedly arise, *'What has this to do with anything that is important to me?'* Some teachers made the effort to help us make connections. They were rarely successful with me. I just couldn't make the connection. Finally, after being out of school many years, the light went on and a connection was made. I stopped *'throwing away the old and keeping the new.'* (Or ruing the new and longing for the old!) Not surprisingly, the connection happened when I began to use a different lens to see the world. I had been looking through a lens in which everything was *either/or*. Everything had to be *all or nothing*. People were either good or evil. The rigidity that directed my life softened with compassion... especially after I experienced my feet of clay several times and still I experienced love being directed toward me! The experience was more than I could comprehend, and it transformed me. God is good.

**Parish Updates:** We need to get creative in order for us to have a Parish Bazaar this year. The restrictions imposed upon us by the Corona Virus almost eliminate any large gatherings. One suggestion, that we have received, is to have a virtual bazaar. This would, unfortunately, eliminate much of the communal interaction that is so important, but it would create some opportunities for community to happen. It would, also unfortunately, prevent some areas not to open, e.g. the kitchen, jewelry, wine and dine, etc., but it would allow most of the 'booths' in which people take chance to be open, e.g. amazing, baskets, etc.

***"Having faith does not mean having no difficulties, but having the strength to face them, knowing we are not alone." ~ Pope Francis***

To support married couples during this time of social distancing, Worldwide Marriage Encounter is sponsoring a virtual marriage experience called **Restore – Rekindle – Renew**. This Enrichment Experience will meet via Zoom for seven sessions on Monday evenings September 14 to October 26 from 7-9:30 PM. Couples will explore their individual personality styles, improve listening and communication skills, understand God's plan for their marriage, and learn how to keep their relationship a priority. Registration is limited and a \$50 application fee is required. For more information or to apply, call Stephen & Michelle O'Leary at 800-710-9963 or visit them at <https://www.mema.org/>.
