As the new pastor of Christ the King Church, I noticed several parishioners having difficulty walking from our lower parking lot and nearby side streets to the entrance of the church. I reached out to State Representative Tom Noret who put me in touch with Town Councilman Jason Messier. I requested the 3 parking spaces directly in front of the church be deemed handicap parking spaces and I'm pleased to announce that the swift action of Councilman Messier has resulted in a unanimous approval by the W.W. Town Council. In two weeks the 3 parking spaces on Legris Ave., directly in front of the church, will be officially designated as handicap parking. I would like to thank Councilman Messier for ensuring the best for our parishioners.
