Electronic Giving

A convenient, consistent way to help our church grow

We are grateful to our parish community for all your support and prayers during this unprecedented time. When we are unable to gather to worship together, electronic giving helps stabilize our parish finances.

We currently have 27 families enrolled in the **Bill Pay Program** through their financial institutions. If you are already enrolled in the Bill Pay Program at your financial institution, the set up is a few quick steps! You select the frequency and dollar amount of the payment (donation). The bank will generate a check and mail it to us as instructed. It's that simple ... you no longer have to worry about having the right change or writing a check each week. We have a box on our budget envelopes marked "I Gave Electronically", check the box and place it into the collection basket. Your consistent support is very much appreciated.

The Birth of Jesus brings us the good news that we are loved immensely and uniquely by God ~ Pope Francis

Some random thoughts

We have, through the years, domesticated plants, animals, people, and the divine. Our first reading from II Samuel is an example of David attempting to domesticate the divine, and the divine resisting. Eventually, however, the domestication process overrides the divine resistance. (David's son, Solomon, manages to complete the domestication process.) Yet, we can never completely domesticate God. We see God breaking free in our Gospel story from Luke. God announces to Mary that the divine and the human are naturally united. This has always been God's intention. Experiencing the wildness of God is awesome and frightening. Experiencing the divine in union with ourselves is transformational. God is good.

Parish Updates: Merry Christmas!

We will offer a second 4:00 Christmas Eve Mass in the church hall. This will allow extra room and a better chance for all who want to celebrate on the Eve of Christmas.
