**A Christmas Message from Pope Francis**

Brothers and sisters, let us turn our eyes to Bethlehem, and listen to the first faint cries of the Prince of Peace. For truly Jesus is our peace. The peace that the world cannot give, the peace that God the Father has bestowed on humanity by sending his Son into the world.

If we want it to be Christmas, the Birth of Jesus and of peace, let us look to Bethlehem and contemplate the face of the Child who is born for us! And in that small and innocent face, let us see the faces of all those children who, everywhere in the world, long for peace.

**Project Hand Up would like to Thank you for your very generous support once again this year!!!**
