**Notes:**

Each class is very important. There are many new words and information that are presented in these classes. Please be sure to cover any chapter that is missed. All pages within the chapters need to be completed.

Please ask your child about the Bible story of the chapter each week.

Homework is for at least one adult to do with your child each week.

Please bring your child to Mass each week. Your child may come up at communion time to receive a blessing. By crossing your arms across your chest area, the Deacon or Priest will know that you are not ready to receive Jesus.

Practice for Penance is important so that your child is ready and comfortable.

Rehearsal for First Holy Communion is important so that all the children are ready and comfortable. Rehearsal makes for a good experience for all.

**First Holy Communion:**

Children will sit with their family. Seats will be assigned during one of the First Penance classes.

Nothing in hand during the mass; rosary, gloves, handbag, etc. You may bring these extras with you to take pictures after the mass.

We will hire a professional photographer to take pictures. During mass, you may ONLY take pictures from your seat.

Any questions, please let us know.
